

Fresh Start Shower

Why?

Have you been searching for an affordable response to those customers looking for single-unit showers? Here's your answer: the Satellite | PolyPortables Fresh Start Portable Shower. Built within the empty cabana of a standard size portable restroom, the Fresh Start Portable Shower offers the conveniences of a home shower experience in a fully portable package. Water is heated to an average temperature of 115 degrees by a propane-fueled, on-demand water heater that may be adjusted to suit the user's comfort level.
